TO WHOM IT MAY CONCERN

Dear Customer,

We confirm that Stainless Steel Material for the production of our fittings meet the standard of ANSI/ NACE MR0175 / ISO 15156-3-2009 and NACEMR0103

Compression fitting are excluded from the demands of NACE when they are made out of 316 Stainless Steel .
See ANSI/NACE MR0175 #A.4 & ANSI/NACE MR0103 #7.4.1.1

Best Regards,

Galit Izhak
Quality Manager
